Dear Sir/Madam,

I am the chairman of the Hazelwell Community Centre which is a registered charity run entirely by volunteers. We operate in the small villages of Haswell & Haswell Plough having a population of approximately 2000 people. The villages rank high on the Government's Index of Multiple Deprivation.

We recently asked organisations to make a donation to the costs of the Children's Christmas party and Pensioner's Christmas party and you were so kind in doing so.

On behalf of the whole community I sincerely thank you for your donation which was a great help towards the costs of the two Christmas parties, which were very successful and enjoyed by all.

Once again thank you very much.

Yours sincerely,

Alan Liversidge.
