Well that's January done and dusted already the time really does fly by. Hopefully our members are now starting to think about getting the caravan out and about, if you haven't already done so.

Our first rally of the season is at a new venue with new Marshals at the end of the month and it's already fully booked as are several other rallies (full details on the website) a reserve list is in operation so get your name on it as cancellations do occur. Please note that we have numerous rallies that only have a couple of places left as they are filling up very quickly so do get in touch and reserve your place.

Gentle reminder for all, if you do book a rally and then find that you need to cancel it later in the season please do let the Marshal know as soon as possible, last year we had some people who didn't turn up leaving other disappointed as they could have filled the vacant space.

We do have a rally this year to coincide with the Tall Ships and as usual we have a rally during the Air-Show take a look on the website to see the full rally programme.

Durham Centre has been mentioned in the first two additions of the Caravan and Motorhome Club magazine along with the Centre Rally supplement. Our centre is certainly on the way up.

The 2018 handbook is now available, if anyone does require a copy please see any of the committee or send a £1.50 cheque to cover postage to our Secretary Sharon Showler.
