DAVE HUGHES DRIVER TRAINING LTD

B + E TRAILER TRAINING

If you have a driving license held before 1st January 1997, you can legally tow a trailer as long as the combined weight of the vehicle and trailer are under 8.25 tonnes. If your driving license was issued after 1st January 1997 with a standard category B, you can legally tow a trailer as long as the combined weight of the trailer and vehicle towing is under 3.5 tonnes. This includes caravans and horseboxes.

With this in mind, Dave Hughes Driver Training are here to help and offer trailer training so that you are confident and prepared to go in for your B+E test which allows you to legally tow any trailer, caravan and horsebox.

We will help you prepare by practising off-road reverse manoeuvring, asking vehicle questions, couple and uncoupling exercises then once you feel confident enough, we will send you in for your B+E test at a registered centre.

We are more than happy to use your own car and trailer for the test if suitable. Plus if you need refresher training with your caravan and trailer we are more than happy to help you out with this.

Chairman's Message 2019

Dear Centre Members,

As I start my second year as Centre Chairman I am pleased to tell you Durham Centre will this year be celebrating our 60th anniversary. We have arranged a six day rally at Stanhope Show Ground with three nights of professional entertainment and two afternoons of childrens entertainment rounded off with a childrens tea party .

There will be a river Duck Race where you can buy a duck , the first three will receive cash prizes, a Family Fun Run, Line Dancing , Brass Band, Vintage Car Display, Free Hog Roast for everyone and hopefully caravan and motorhomes to view .

Book early for a great extended weekend of fun & entertainment.

This year we have a new Vice Chairman in Bernadette Smith & Dave Wilson is our new Rally Secretary I hope you will give them both your full support along with the rest of our committee members .

Thanks must go to Karl Davis for preparing this years rally programme for which I think you will find there is something for everyone.

We have a variety of Holiday & Bank Holiday rallies arranged this year so please support them & book up early.

We have introduced this year a £5 deposit when booking all rallies as marshals last year had problems of members not turning up on rallies but had been catered for.

I must say thanks & congratulations to our centre quiz team for winning back the inter centre quiz trophy from Northumberland centre.

Thanks also go to our advertisers, it is with their support this handbook can be produced and thanks too for permission from landowners as without them we could not continue to enjoy our favourite pastime.

I would like to thank all the committee members who have stepped down this year ,your help & support has been appreciated.

Please continue to support your centre & remember to re-register with Durham Centre when renewing your Caravan & Motorhome Club Membership.

Angela & myself look forward to seeing you on the rally field again this year & our kettle will always be on.

Barry Dodd.

The Rally Marshals are ordinary Centre Members who have volunteered their time to run and organise the Rally This includes arranging the site and services and providing a programme of entertainment which may include social evenings, competitions, local events, sports activities etc. You may either join in or remain free to 'do your own thing'.

Directions to each Rally are given in the Rally Handbook. Durham Centre yellow signs may be sited on approaches to the site.

1. Report to the Rally Marshal's caravan on the field, where you will be welcomed and given general information such as where the water tap is and where the Elsan point can be located. A list of all activities will be given to you.

The Rally Marshals will then direct you to your pitch and give any assistance you may request.

What is the Northern Region Council?

The Northern Region Council of the Caravan and Motorhome Club is built up of eleven Centres: Northumberland, Cumbria, North Lancashire, South Lancashire, Yorkshire Pennine, South Yorkshire, Durham, North Yorkshire, Yorkshire Dales, Mid West Yorkshire and East Yorkshire.

The Council holds four meetings a year with a Chairman, Treasurer, Secretary and Vice Chairman. There are two delegates from each Centre plus one non-centre member which form the committee.

What benefit is the Northern Region Council to us?

The Council has been formed to link the Centres to the Club Head Quarters. The Council feeds information from the Club to the Centres and vice versa. Any problems or concerns the Centres and their members have, can be aired at the Council meetings and if they are not solved at that meeting then the Officers of the Council can take to the Club in order to get a solution, this can then be fed back to the Centres.

The idea is a support mechanism for the Centres and their Members, as we all know that a problem shared is a problem halved or maybe solved.

Does it work?

Yes it does – many problems in the past have been solved and useful information with regard to Caravans, towing vehicles and members safety have been passed on.

Yes it does – many Centre Officers have had problems within their Centres and have brought the problem to the Council and got advice and support from other Centre Officers until a solution has been found.

Yes it does – by saving Centre Officers and member's time by bringing things to the Council for a solution instead of contacting the Club on smaller issues or non-urgent business, this also saves the Club staff time.

Yes it does – it helps to circulate information on events the Centres run, helping to promote throughout other Centres and the Club Magazine.
