Please support our sponsors

Teeside Caravans who have a display
and retail stand selling accessories

Dave Hughes Trailer Training
Demonstrations throughout the weekend

CHAIRMAN'S MESSAGE

It is with great honour and a pleasure that I am Chairman of Durham Centre at this our Diamond Jubilee Celebration Rally, when we celebrate 60 years as a centre.

During those 60 years the Centre has grown with many Chairmen over seeing that the Centre has become the success that it is today. At the present time we have nearly 1,700 members.

Hopefully over the coming years the Centre will continue to be successful.

It was in October 1959 that the old North East Centre split into the present Durham and Northumberland Centres with their own committees and both centres then becoming part of the original Northern Region when it was formed.

I am very pleased to say we have with us this weekend CHRISTINE THOMAS who is the daughter of Durham Centres very first Chairman, JAMES (Jim) WIDDAS.

We also have with us four Past Chairmen along with three Past Treasurers and three Past Secretaries.

I'm sure old and young ,you will all have fond memories of rallying over the past years , memories that will never leave you and our thoughts are always of good friends that we have lost over the years.

I hope we can create many happy memories in the future as we have in the past .

Over the next five days on behalf of myself and the committee we hope there is something for everyone to enjoy and you have a great time celebrating our Centres Special Anniversary.

Angela and Myself look forward to meeting you all.

BARRY DODD

Durham Centre Chairman.
