## **Platinum Jubilee – Oak leaf Sport Centre**

A very good morning Barry & Angela

We would like to thank you both and all your members for a fantastic rally to celebrate the Queens Jubilee everything went perfect it could have done with being a bit warmer but the sun was out for the street party which again made it perfect.

Also could you thank Bernadette for selling the angels and we think she could sell snow to the Eskimo's and we would also like to congratulate you on raising so much for your charity although you got very wet.

We hope Angela goes on well with her operation and is soon up and about and we might even see her at Thirsk anyway in anticipation get well soon and keep ringing that bell and Barry will come running.

The van is now cleaned and polished and the shockers have been fit on the car so all being well we are up and running again and ready for this weekend.

Anyway many thanks again and much love to Angela and to all your helpers a very big thank you it was a great weekend.

David & Hazel Ferdinand
